Summary

Results-oriented BTech graduate with exceptional time-management and leadership skills. Passionate and self-motivated, consistently delivering high-quality work while meeting tight deadlines. Strong problem-solving abilities and a drive to implement knowledge to enhance the reputation of esteemed organizations.

Education

Bachelor of Technology - BTech • Aurora's Technological and Research Institute, Hyderabad	Aug 2019 - Jul 2023
Computer Science and Engineering • Grade: 7.44	
Intermediate • Sri Chaitanya Junior College, Hyderabad, Telangana	Jun 2017 - Apr 2019
MPC • Grade: 9.17	
SSC • Srujana High School	Jun 2016 - Mar 2017
Grade: 9.5	

Projects

Farmer's portal using Blockchain Technology	Jan 2023 - Jun 2023
Aurora's Technological and Research Institute, Hyderabad	
Technology - Python	
Domain: Blockchain	
<ul style="list-style-type: none">Developed a decentralized and tamper-resistant ledger using Python and blockchain for direct farmer-stakeholder interaction.Enhanced portal efficiency, transparency, and security through blockchain integration.	
Data poison detection schemes for distributed machine learning	Oct 2022 - Dec 2022
Aurora's Technological and Research Institute, Hyderabad	
Technology: Python	
Domain: Machine learning	
<ul style="list-style-type: none">Implemented data poison detection using Python to counter data poisoning attacks in collaborative ML environments.Ensured secure distributed training by identifying and mitigating malicious data injections.	

Technical Seminar- Apache Cassandra

Skills

- Programming Languages: Java, C++, Python
 - Web Technologies: HTML, CSS, JavaScript
 - Database: SQL
 - Data Structures and Algorithms
 - Object-Oriented Design
 - Communication: Strong communication skills, able to effectively interact with diverse team members
 - Mentorship: Skilled in mentoring team members to foster engineering excellence
-

Certifications

- Data Analytics Certification, Smartbridge Educational Services Pvt Ltd, 2021
 - Expert Java Certification, NASSCOM, 2023
 - Web-a-thon certification, Aurora's Technological and research institute,2021
-

Achievements and Honors

- First prize in PowerPoint presentation competition, demonstrating effective communication skills and ability to convey complex concepts,2019.
- Third prize in Technical Quiz, showcasing strong problem-solving abilities and comprehensive technical knowledge,2021.

Extra-Curricular Activities

- Presented a technical paper at Aurora's Technological and Research Institute, highlighting research and analytical capabilities (2023).
 - Participated in programming contests, showcasing a passion for coding and continuous skill enhancement (2021).
-
